### **Question 1:**

With regards to this tender would you please let me know if the Ministry expect to have the water and electricity meters serving the leased space in their own name and to settle those bills directly? Or if not then what process is preferred?

### **Answer 1:**

The water and electricity meters serving the leased space can be either on the Contracting Authority's name or the Lessor's name, however the bills will be paid by the Contracting Authority accordingly.
